**Dealers' Financial Services, LLC Goes Live on Oracle's Daybreak**

**Lexington, KY**—Dealers' Financial Services, LLC (DFS) announced that it has deployed Daybreak from i-flex solutions as the loan origination and operational systems platform for its Military Installment Loan and Educational Services (MILES) program.

DFS created the MILES program to assist and protect active duty military personnel when purchasing an automobile. With Daybreak, the company will be able to attain development objectives, expedite funding and provide exceptional customer service to both their dealership and military customers.

"We are pleased with the fact that Daybreak will increase the speed of our funding, the diversity of our products and our ability to provide better customer service. We were impressed by their responsiveness and flexibility of the Daybreak team in configuring the solution to meet our needs," said Sherri L. Helmond, Senior Vice President at DFS.

"We are delighted that DFS has implemented Daybreak as the foundation for its MILES program," said George Thomas, Vice President, Lending Solutions at i-flex solutions. "The new system will enhance DFS' ability to serve military personnel with a unique product set and as well as premier customer service. We welcome DFS to our growing family of clients."

**About Dealers' Financial Services, LLC / MILES Program**

Dealers' Financial Services, LLC (DFS) developed the MILES Program in 2001 to assist Active Duty Military Service Members with obtaining a quality vehicle from a National Certified Dealer Network and financing from a national bank. DFS is currently a leader in providing solutions for automotive loans to the military community.
