Dealers' Financial Services, LLC integrates with RouteOne

Lexington, KY—Dealers' Financial Services, LLC (DFS) announces its integration with RouteOne LLC's credit application management system.

Through the DFS and RouteOne integration, MILES Certified Dealerships will be able to use RouteOne for application submission to the MILES Program, which offers automated and immediate loan approvals.

MILES (Military Installment Loan and Educational Services) is a program created by DFS to assist and protect active duty military personnel when purchasing an automobile.

"DFS is pleased to become a part of the RouteOne network of finance sources. This relationship will provide numerous benefits to our Dealership customers nationwide," said Sherri L. Helmond, Senior Vice President at DFS.

"A large majority of our Certified Dealer base are currently active with RouteOne. This partnership will increase the accessibility and utilization of the MILES Program which brings excitement to both us and our dealership customers," said Steve Hoback, Senior Vice President at DFS.

"We are pleased and proud to offer the services of DFS to our dealer customers," said RouteOne CEO Mike Jurecki. "We are excited to enter into this market, which is previously untapped by RouteOne. We believe this integration will provide excellent benefits to our service men and women, and we are happy to serve them in this capacity."

About Dealers' Financial Services, LLC / MILES Program

Dealers' Financial Services, LLC (DFS) developed the MILES Program in 2001 to assist Active Duty Military Service Members with obtaining a quality vehicle from a National Certified Dealer Network and financing from a national bank. DFS is currently a leader in providing solutions for automotive loans to the military community. For more information about DFS or the MILES Program visit www.usmiles.com.

About RouteOne

RouteOne was formed in 2002 by Chrysler Financial, Ford Motor Credit Company, GMAC and Toyota Financial Services to create a more streamlined credit application for automobile dealers and their customers. Providing access to more than 21,500 dealers in

North America, RouteOne's web-based system allows automotive dealers to submit credit applications to the largest indirect lenders, request credit reports and increase profitability with RouteOne's free Dealer Reporting Suite. RouteOne's open integration business model also allows the dealer to integrate with their choice of a wide variety of best in class providers, including DSPs, CRM systems, F&I modules and menu providers. RouteOne offers dealers a common platform for all their credit application financing needs. More information is available at www.routeone.com.
