Dealers' Financial Services donates more than \$26,000 in 2008 to military non-profits through MILES Gives Back

Lexington, KY –Dealers' Financial Services, LLC (DFS) and the MILES Program are pleased to announce the annual *MILES Gives Back* donation was awarded to the Fisher House at Fort Sam Houston, Texas. This year's donation totaled \$10,000 and was made on behalf of the MILES Program, its business partners and vendors.

Dealers' Financial Services, LLC and the MILES Program developed *MILES Gives Back* in 2007 as a way to contribute to the charitable foundations that help increase the quality of life for the members of the United States Armed Forces. The Fisher House was selected as the recipient of the annual *MILES Gives Back* donation because of their strong commitment and dedication to providing support for military service members and their families during their time of need.

In addition to the annual *MILES Gives Back* donation, DFS and the MILES Program also donated more than \$16,000 throughout the year to various non-profits such as the, United Service Organizations, Fort Gordon Youth Challenge Academy, several base Army Community Services and Army Emergency Relief funds, as well as donations to Wounded Warrior organizations and many more. The total amount donated in 2008 on behalf of the MILES Give Back program was more than \$26,000.

"We are pleased to contribute to the well-being of the Armed Forces through our *MILES Gives Back* initiative. We take pride in giving back to our service member customers, the military community and plan to continue with this meaningful program for many years to come " said Robert H. Nelson, President and CEO of Dealers' Financial Services, LLC.

The Fisher House™

The Fisher House program is a unique private-public partnership that supports America's military in their time of need. Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House™ Foundation donates "comfort homes," built on the grounds of major military and VA medical centers. These homes enable family members to be close to a loved one at the most stressful time - during the hospitalization for an unexpected illness, disease, or injury.
